Let's Get Functional 2
Time Log

Lingraphica®

Participant Name: _____   **Date:** _____

Course Title:	*Let's Get Functional 2: A Hands-on Guide to Programming Lingraphica AAC Devices*

Instructions: You must log a minimum of two (2) hours to receive credit for the completion of this course. You are not expected to complete this activity in one session. Keep track of your time for each activity separately. Each time you begin to work on the activity, go to the appropriate section, log the date and your start time and end times. You may have several time entries for the same date.

Note: Additional instructions and materials are located within the enrolled session in the Lingraphica Learning Portal.
