Please ask yes and no questions

Speak slowly please

I understand

Repeat that please

Help me please

I'm hungry

I'm thirsty

I need a glass of water

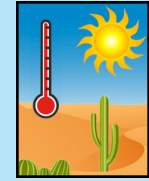

What's for breakfast?

What's for lunch?

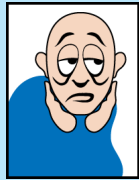

What's for dinner?

I'm hot

I'm cold

I am tired

I need to sit down

I'd like to shower

I need to take my medicine

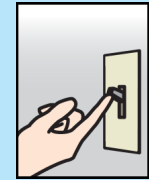

I need to use the bathroom

I need to brush my teeth

I want to brush my hair

Turn on the light please

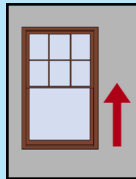

Turn off the light please

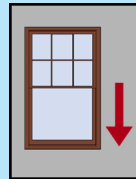

Open the door please

Close the door please

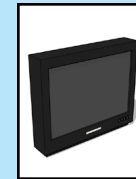

Open the window please

Close the window please

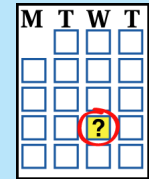

Turn on the TV please

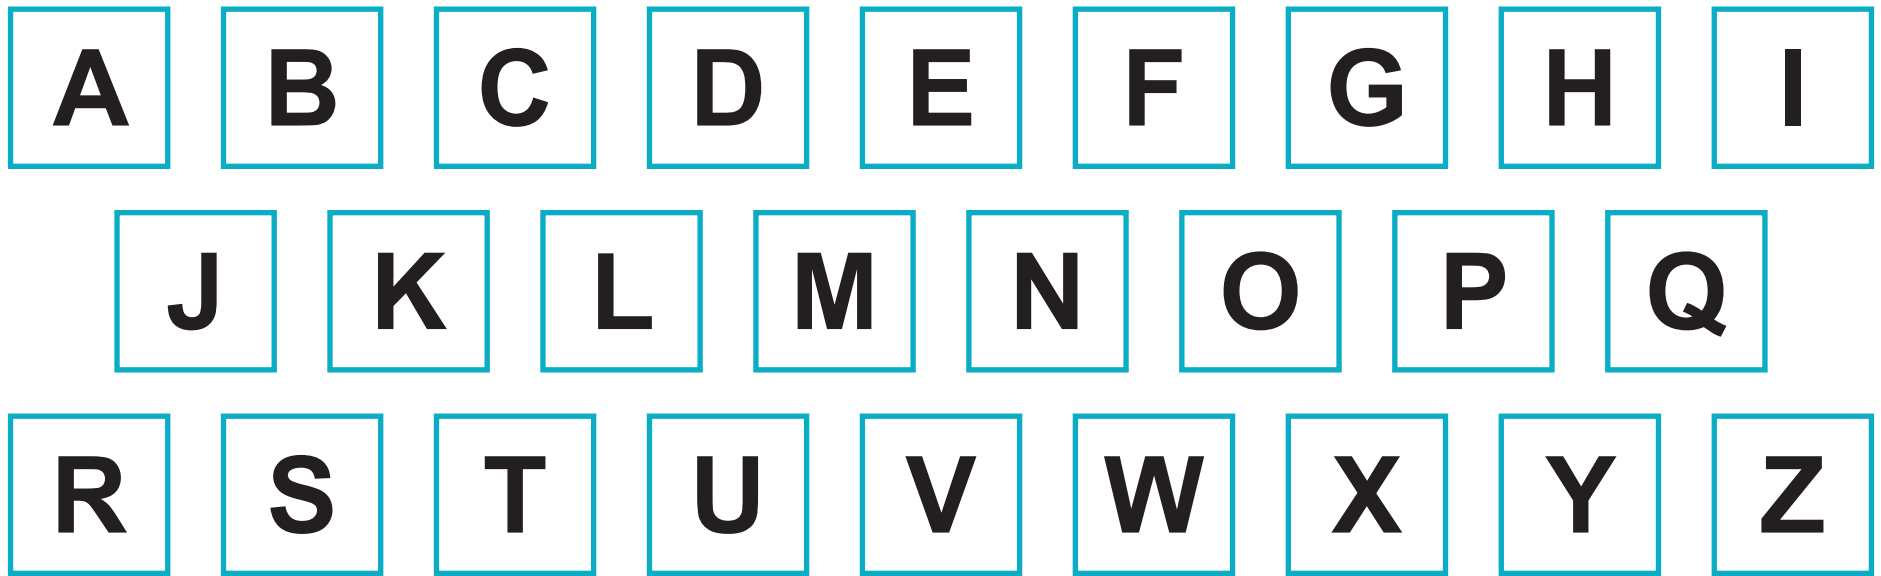

Turn off the TV please
