

I want to talk about this

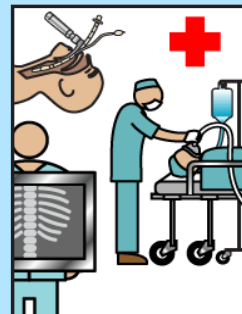

I DON'T want to talk about this

I want more information

Please ask me again later

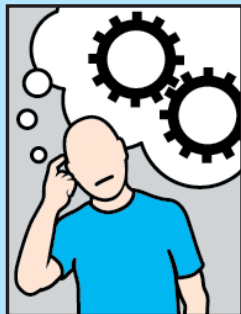

I want you to do everything possible to save my life

I do not want any life-saving interventions – Do not resuscitate me

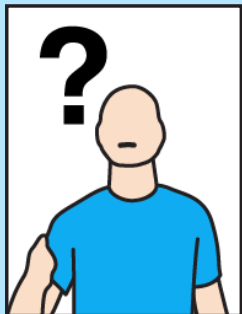

I want to talk with my family

I have changed my mind

I understand

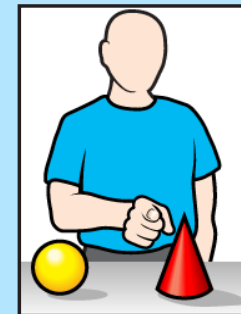

I don't understand

What are the risks?

I want to be comfortable

I want to discuss my options

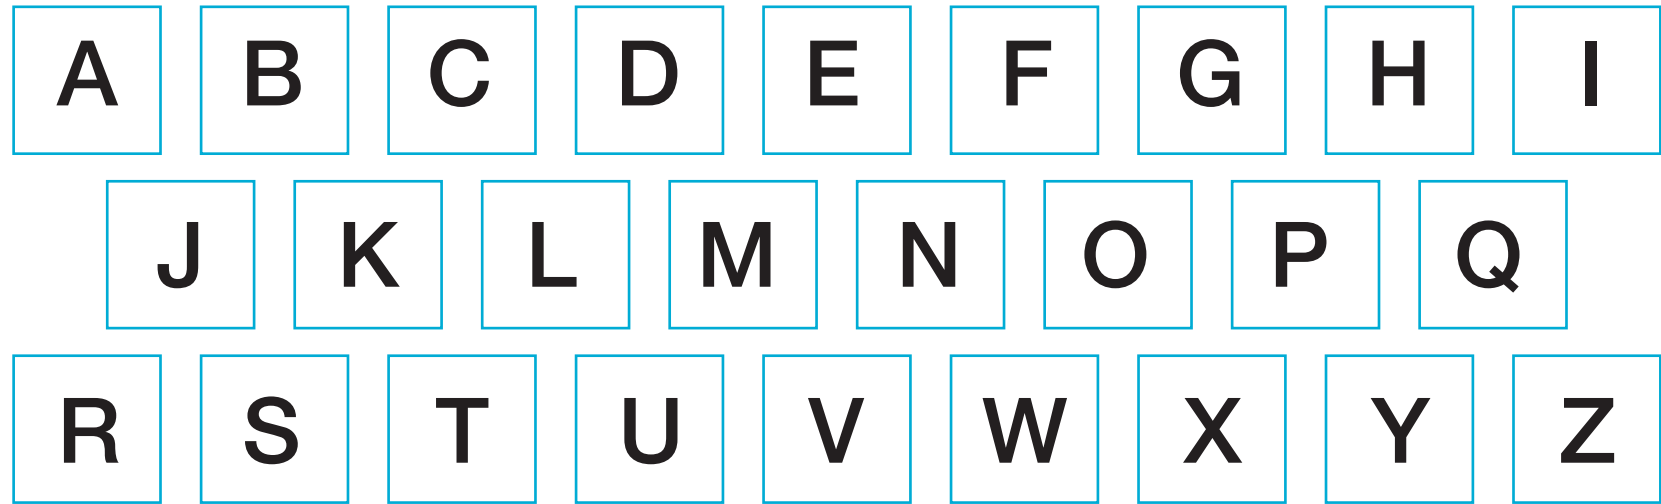

It is my choice

This is a no-technology communication board. Our full-featured communication devices offer five different ways to communicate, are completely customizable, and include more than 10,000 words and phrases. For over 30 years, Lingraphica has helped adults with aphasia and other speech and language impairments improve their communication and quality of life.

Call us at 888-274-2742 or visit lingraphica.com to learn more.
